Brand-new, 5bed, six bathrooms, immaculate, huge double villa, on an open-plan design, spread across three levels and built on the very edge of Pegeia's hilltops. Most anyone would need in facilities and amenities are merely a stone's throw away. With a truly PANORAMIC view of Cyprus.

Materially adapted to the semi-mountainous conditions they are placed, the property has private pool & private parking, verandas & balconies, and each level has at least one en-suite bathroom as well as a both a bathtub and a shower.

The unique feature of these units are their two living rooms, two kitchens and two-leveled, independent access, making them readily able to separate into two distinct houses. The property benefits from the 5% VAT regulation.
