ΠΡΟΣ ΠΩΛΗΣΗ

Limassol, Moni

105 m² Εμβαδόν | 3 Υπνοδωμάτια |

Περιγραφή

A modern three-bedroom house currently under construction in the Moni area of Limassol district. The property offers 105 m² of covered interior space, a 22 m² covered veranda, and sits on a 507 m² plot.

The layout includes two bathrooms, with the master bedroom benefiting from its own ensuite. Provisions are in place for a full solar panel system, solar water heater, air conditioning, and a pressurised water system. Additional features include double-glazed windows, a garden, storage room, private swimming pool, barbecue area, and covered parking. Energy performance is rated A.

Set in a quiet, well-connected, and up-and-coming neighborhood with easy access to a wide range of local services and amenities.
