FOR SALE

195 m² Covered

Description

For sale: A modern, off-plan office unit offering a spacious internal area of 195 m² and covered veranda of 15 m² and roof garden of 110 m². Designed for efficiency and comfort, this office space is set in a state-of-the-art building scheduled for completion in 2028. The layout accommodates flexible workspaces, meeting rooms, and break areas, making it an ideal environment for businesses to grow and thrive.

Energy efficiency class A ensures that the office will keep utility costs low while promoting environmental responsibility. High-quality materials, advanced infrastructure, and contemporary finishes reflect a commitment to both style and durability.

This office delivers the best of today's work trends: open, light-filled interiors and top-tier technical systems. Benefit from flexible design options tailored to suit your company's needs.
